Understanding Your Benefits

Accelerated Death Benefit	Accelerated Death Benefit provides an option to be paid a portion of your life insurance benefit when diagnosed as terminally ill (as defined in the policy). The death benefit will be reduced by the amount withdrawn. To qualify, you must be covered under this policy for the amount of time defined by the policy.
AD&D	Accidental Death and Dismemberment (AD&D) insurance provides specified benefits for a covered accidental bodily injury that directly causes death or dismemberment (e.g., the loss of a hand, foot, or eye), subject to policy limitations.
Conversion	If you terminate your employment or become ineligible for this coverage, you have the option to convert all or part of the amount of coverage in force to an individual life policy on the date of termination without Evidence of Insurability. Conversion election normally must be made within 31 days of your date of termination.
Guarantee Issue	For timely entrants enrolled within 31 days of becoming eligible, the Guarantee Issue amount is available without providing Evidence of Insurability. Evidence of Insurability will be required for any amounts above this, for late enrollees or increases in insurance, and it will be provided at your own expense.
Term Life	A death benefit is paid to the designated beneficiary upon the death of the insured. Coverage is provided for the time period that you are eligible and premium is paid. There is no cash value associated with this product.

Additional Benefits

LifeKeysSM	Online will & testament preparation service, identity theft resources and beneficiary assistance support for all employees and eligible dependents covered under the Group Term Life and/or AD&D policy.
TravelConnectSM	Travel assistance services for employees and eligible dependents traveling more than 100 miles from home.
