The AHA has two affiliates, Alameda Affordable Housing Corporation (AAHC) and Island City Development (ICD) and several limited partnerships. Unless otherwise stated, this solicitation is for all AHA affiliated entities.

Currently, the AHA has an Annual Contributions Contract to administer 1885 tenant-based Housing Choice Vouchers, which includes 338 Project-Based Vouchers and allocations for the Family Unification Program (FUP), the Veterans Affairs Supportive Housing (VASH), the Non-Elderly Disabled (NED), and Family Self-Sufficiency (FSS) programs.

The AHA is also tasked with housing at least 14 Shelter-Plus Care Vouchers and 30 Moderate Rehabilitation households. The AHA does not operate any Public Housing units. The AHA currently owns units but is transitioning ownership of those approximately 570 units to the Alameda Affordable Housing Corporation (AAHC), an affiliate of the AHA. The AHA manages 251 units while the remainder of the portfolio with AHA and AAHC are managed by a 3rd-party management company. The AHA currently has approximately 55 employees.

The Housing Authority of the City of Alameda, in partnership with the entire community, advocates and provides quality, affordable, safe housing; encourages self-sufficiency; and strengthens community inclusiveness and diversity in housing.

The AHA is soliciting and accepting proposals from qualified, licensed, and insured consultants or companies, demonstrating their qualifications, past performance and interest for this work. The term "Proposer" used herein shall mean proposers, partnerships, corporations, associations, or professional organizations.

The ability to commence work within 30 calendar days of accepting the contract and completing the work no later than 98 calendar days after commencing the work is preferred.

D. Cost Analysis and Budget for Primary Services:

Maximum Points: 10

E. **References:**

Maximum Points: 10

As indicated under Part 9, a comprehensive list of the Proposer's references for other public and private entities that it has provided these same or similar services, and that AHA may contact, the result of which will be verified and scored accordingly by the AHA.

F. **Lowest Overall Price:**

Maximum Points: 15

The Proposer with the lowest overall cost for the primary services described by this RFP will receive the maximum amount of points and the next highest Proposers will each receive a percentage thereafter.

5.2. Evaluation Method.

A. **Initial Evaluation for Responsiveness.** Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The AHA reserves the right to reject any proposals deemed by the AHA not minimally responsive (the AHA will notify such proposers in writing of any such rejection).

B. **Evaluation Packet for Proposals Deemed Responsive:** Internally, an evaluation packet will be prepared for each evaluator, including the following documents: Score Sheet for each Proposer and a copy of all pertinent RFP documents.

C. **Evaluation Committee:** The AHA anticipates that the AHA's Executive Director or designee will select a minimum of a three-person committee to evaluate each of the responsive proposals submitted in response to this RFP ("Evaluation Committee"). PLEASE NOTE: No Proposer shall be informed at any time during or after the RFP process as to the identity of any Evaluation Committee member. If, by chance, a Proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As detailed within this RFP, the designated RM is the only person at the AHA that the Proposers shall contact pertaining to this RFP. Failure to abide by this requirement may cause such Proposer(s) to be eliminated from consideration for award.

- D. **Evaluation:** The selection criteria set forth in Section 5.1 herein will be used by AHA to rank and select proposals for this RFP. Each criterion is comprised of several components with an associated point value. The total points awarded to a proposal will be the aggregate of the component subtotals for each factor. This selection provides both a summary and details of the factors and point values.
- E. **Potential "Competitive Range" or "Best and Finals" Negotiations:** The AHA reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2 ("HUD Procurement Handbook"), conduct a "Best and Finals" Negotiation, which may include oral interviews, with all proposers deemed to be in the competitive range. Any proposer deemed not to be in the competitive range shall be notified of such in writing by the AHA in a timely manner as possible, but in any case, no longer than 5 days after the beginning of such negotiations with the proposers deemed to be in the competitive range. The HUD Procurement Handbook can be accessed at https://www.hud.gov/program_offices/administration/hudclips/handbooks/pihh/74608.
- F. **Ties/Equal Bids:** In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by "drawing lots or other random means of selection."
- G. **Results of Evaluation:** Once an award is made, Proposers may request via e-mail additional information regarding the results. Requests for records are limited to those that are not privileged or confidential (i.e., no successful bidder trade secrets, financials, etcetera.)
- H. **Proposal Protest:** Any prospective or actual Proposer, who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. To be eligible to file a protest with the AHA pertaining to an RFP or contract, the alleged aggrieved protestant must have been involved in the RFP process in some manner as a prospective proposer (e.g., submitted an interest form, proposal, or questions, or attended a pre-bid meeting) when the alleged situation occurred. The alleged aggrieved protestant must file, in writing, to AHA the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by the AHA or condition is being protested as inequitable, making where appropriate specific reference to the

RFP documents issued and including the specific citation of law, rule, regulation, or procedure upon which the protest is based. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve AHA from any responsibility to take any corrective action, and as a result of noncompliance, the appeal will be dismissed without further review. The AHA has no obligation to consider a protest filed by any party that does not meet these criteria. Any protest against a solicitation must be received before the due date for the receipt of proposals, and any protest against the award of a contract must be received within ten (10) calendar days after the successful Proposer receives notice of the contract award, or the protest will not be considered. All proposal protests shall be in writing, submitted to the RFP Manager or designee. The AHA's Executive Director, or designee, shall issue a written decision on the matter. The AHA's Executive Director, or designee, may, at his/her sole discretion, suspend the procurement pending resolution of the protest if the facts presented so warrant. All appeals shall be submitted as outlined in Section 6.0.

6.1 APPEALS

- 6.2 Submission.** All appeals shall be marked as follows and sent via e-mail the address listed below.

SUBJECT LINE: "APPEAL OF RFP PMRFP09122023".

Subcontractors.

List of Subcontractors. Contractor's list of approved Subcontractors for the performance of the Work, and each of the Subcontractor's license numbers, is set forth on Exhibit B. In the event Contractor desires to replace any Subcontractor pursuant to Section 4107 of the California Public Contract Code, then Contractor shall notify Authority in writing, and, Authority shall then follow the process set forth in Section 4107(a) of the California Public Contract Code. Thereafter, if requested by Authority in writing, Contractor shall provide Authority with a draft copy of its form subcontract, and disclose to Authority the name, trade, and subcontract amounts for each subcontractor prior to the proposed subcontractor's performance of any portion of the Work. Subcontractors shall have the required licenses and expertise necessary to perform the proposed subcontract work. Authority will promptly reply to Contractor in writing stating whether or not Authority, after due investigation, has reasonable objection to any such proposed person or entity. Provided Authority has not objected to the proposed subcontractor, such person or entity shall be deemed a "Subcontractor." Contractor shall not contract with a proposed person or entity to whom Authority has made reasonable and timely objection, or an entity that has been debarred by the DIR. If any contract between Contractor and a Subcontractor is materially altered so that it differs from the form subcontract provided to Authority with regard to terms other than (1) the description of the Work to be performed pursuant to the subcontract, and (2) the subcontract price, that subcontract shall be submitted to Authority for its review prior to the commencement of applicable portion of the Work.

Subcontracts. By appropriate agreement Contractor shall require each Subcontractor, to the extent of the work to be performed by the Subcontractor, to be bound to Contractor by terms of this Agreement and to assume toward Contractor all the obligations and responsibilities, including the responsibility for safety of the Subcontractor's work, which Contractor, by this Agreement, assumes toward Authority. Each subcontract shall, among other matters: (i) require that the work be performed in accordance with the requirements of this Agreement; (ii) require the Subcontractor to carry and maintain liability insurance in accordance with this Agreement; and, (iii) shall specifically provide that Authority is an intended third-party beneficiary of such subcontract and that the Subcontractor recognizes the rights of Authority to take an assignment of its subcontract after termination of this Agreement by Authority on default of Contractor.

Payment and Performance Bonds.

Prior to commencement of the Work, Contractor shall deliver to Authority copies of labor and material (payment) bonds and performance (general contractor bond) bonds for the Work in an amount equal to one hundred percent (100%) of the scheduled costs of the Work. Said bonds shall comply with the requirements of Section 9550 et seq. of the California Civil Code and shall be issued by an insurance company which is licensed to do business in California and has a rating equivalent to AAA or AA+ by an insurance company listed in the current year's list of "Surety Companies Acceptable on Federal Bonds" as published in the Federal Register by the Audit Staff Bureau of Accounts, U.S. Treasury Department, and for amounts which are not in excess of the acceptable amount set forth on such list for the respective surety. The bonds shall name Authority as a co-obligee or assignee.

Right of Entry; Job Site Facilities.

Right of Entry. Authority hereby grants Contractor a right to enter the Property for the purpose of performing the Work. This right of entry may be exercised by Contractor, and its employees, agents, and Subcontractors. This right of entry will terminate upon the sooner to occur of: (i) completion of the Work; or (ii) the occurrence of an event of default under this Agreement.

No Liens. Contractor and all Subcontractors and all material suppliers are prohibited from placing any liens on the Property; provided, however nothing in this Section 2.6(b) shall be deemed to prohibit the filing of a stop notice.

Signs. Subject to prior approval of Authority as to size, design, type and location, and to local regulations, Contractor and its Subcontractors may erect temporary signs for purposes of identification and, to the extent applicable, controlling traffic. Contractor shall furnish, erect, and maintain such signs as may be required by safety regulations and as necessary to safeguard life and property. Contractor shall comply with all applicable CAL OSHA standards.

Job Site Facilities. In addition to the requirements set forth in Section 17 of the General Conditions, Contractor may provide a jobsite trailer and portable sanitary facilities. This office will be located so as to cause no interference to any Work to be performed on the Property. Contractor shall consult with Authority with regard to location. Unless otherwise agreed to by the Parties, upon completion of the Work, Contractor shall remove all such temporary structures and facilities from the Property. On-site storage will be permitted, as a convenience to Contractor, in areas designated by Authority for such purposes. Contractor shall take reasonable security measures to protect against theft and vandalism. Contractor is responsible for Contractor owned tools and equipment. Except for damage due to Contractor's negligence or willful misconduct, damage or vandalism to the Improvements, products at the Property, in storage or in transit shall be covered by the builder's risk policy, described in Section 7.19 of this Agreement. Contractor may, at its option and expense, rent off-site facilities for the storage and securing of its materials.

Safety Precautions and Programs.

Contractor Responsibility. In addition to the requirements set forth in Section 13 of the General Conditions, Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the performance of the Work and for providing safe conditions for the performance of the Work. Authority shall have no liability or responsibility for the physical condition or safety of the site or any improvements made by Contractor and located on the Property until acceptance of the Work by Authority as evidenced by the Acceptance Certificate more particularly described in Section 2.9(b) of this Agreement. Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to:

(i) employees at the Property and other persons who may be affected thereby, including, but not limited to the tenants of the residential units located at the Property (collectively, the "Residential Tenants");

(iii) other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of the Work.

Residential Tenants. Contractor acknowledges that the Residential Tenants shall be occupying the portions of the Property above the portions of the Property where the Work will be performed. Contractor shall take all reasonable precautions to ensure that the Work is performed in such a manner so as not to endanger, threaten, or impair the safety of Residential Tenants or their guests and invitees, and shall construct and maintain reasonable safeguards as required by the condition and progress of the Work. Contractor shall take all reasonably available efforts to eliminate unnecessary noise, dust, or obstructions during the performance of the Work.

Utilities. In the event that the performance of the Work requires existing utilities (including, but not limited to, water, heat, electricity, or telecommunications) to be shut-off, then Contractor shall not cause such utilities to be shut off until: (i) Contractor has notified Authority of such requirement, and (ii) Authority has notified the Residential Tenants of such requirement in accordance with the Residential Tenants' leases. In such event Contractor shall use commercially reasonable efforts to minimize the time period that any utility serving the Property is shut-off.

Notices. Contractor shall give notices and comply with applicable laws, ordinances, rules, regulations and lawful orders of public authorities bearing on safety of persons or property or their protection from damage, injury or loss. Contractor shall erect and maintain, as required by existing conditions and performance of the Work, reasonable safeguards for safety

and protection, including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying owners and users of adjacent sites and utilities.

Explosives. When use or storage of explosives or other hazardous materials or equipment or unusual methods are necessary for performance of the Work, Contractor shall exercise utmost care and carry on such activities under supervision of properly qualified personnel. Contractor shall also give Authority reasonable advance notice.

Damage. Contractor shall promptly remedy damage and loss to property referred to in Sections 2.7(a)(ii) and (iii) above, to the extent caused by Contractor, a Subcontractor, a sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which Contractor is responsible under Sections 2.7(a)(ii) and (iii), except damage or loss attributable to acts or omissions of Authority and not attributable to the fault or negligence of Contractor.

No Overloading. Contractor shall not load or permit any part of the Work or site to be loaded so as to endanger its safety.

Suspension. When all or a portion of the Work is suspended for any reason, Contractor shall securely fasten down all coverings and protect the Improvements, as necessary, from injury by any cause, including, but not limited to rain or other weather conditions.

Notice to Authority. Contractor shall promptly report in writing to Authority all accidents arising out of or in connection with the Work that caused death, serious personal injury, or serious property damage (other than the demolition of any existing improvements on the Property as set forth in the Plans), giving full details and statements of any witnesses. In addition, if death, serious personal injuries or serious damages are caused, the accident shall be reported immediately by telephone or messenger to Authority.

Conditions Precedent to Commencement of the Work.

Conditions. Contractor shall cause the commencement of Work by no later than the date set forth in a Notice to Proceed issued by Authority; provided, however, Authority shall not be under any obligation to issue a Notice to Proceed until satisfaction of the following conditions precedent:

There exists no Default nor any act, failure, omission or condition that would constitute an event of Default under this Agreement.

Contractor has furnished Authority with evidence of the bonds meeting the requirements of Section 2.5 of this Agreement.

Contractor has executed and delivered to Authority all documents, instruments, and policies required by Authority pursuant to this Agreement.

Contractor has furnished Authority with evidence of the insurance coverage meeting the requirements of Section 2.19 of this Agreement.

Contractor has secured all necessary permits, fees and licenses as set forth in Section 2.12(a) of this Agreement.

Termination. If Contractor has not satisfied the conditions precedent set forth in this Section 2.8 by the earlier of: (i) the date set forth in the Notice to Proceed; or (ii) [____], 2023, then such failure shall constitute a default as set forth in Section 4.2 of this Agreement, and Authority may, in its sole discretion, terminate this Agreement. In the event of such termination neither Party shall have any continuing liability or obligations except for continuing indemnities provided elsewhere in this Agreement. In the event of such termination, the Parties agree and acknowledge that, for the avoidance of doubt, Section 34 of the General Conditions shall not apply.

Completion of the Work.

Compliance with Schedule. Contractor shall perform the Work in strict accordance with the Schedule submitted to and accepted by Authority. Contractor shall have the sole and exclusive responsibility for completing the Work according to the Schedule. Failure to materially comply with the Schedule shall be considered a breach of this Agreement. Any proposed revisions to the Schedule which would affect Contract Time shall be submitted by Contractor pursuant to the Change Order procedure set forth in Section 2.11 of this Agreement. If Authority reasonably determines that the performance of the Work has not materially reached the level of completion set forth in the Schedule or the Contract Documents (taking into account any corrective schedule action(s) proposed by Contractor including, but not limited to, resequencing tasks or lags to obtain compliance with the Schedule), then Authority shall have the right to require Contractor to take all measures necessary to expedite the Work in order to materially comply with the Schedule including, but not limited to, working additional shifts or overtime, supplying additional labor, equipment, facilities, and other similar measures. Authority's right to require such measures is solely for the purpose of ensuring Contractor's compliance with the Schedule. Contractor shall not be entitled to an adjustment in the Contract Sum in connection with such measures required by Authority. Authority may exercise the rights furnished in this Section 2.9(a) as frequently as Authority deems necessary to ensure that Contractor's performance of the Work will comply with the Contract Time.

Acceptance Certificate. Subject to Section 32(b) of the General Conditions, Contractor shall diligently prosecute the Work to completion, and shall cause the Substantial Completion of the Work as set forth in the Schedule, and within the time period established in Section 25 of the General Conditions (the "Contract Time"). Upon Substantial Completion of the Work Contractor shall submit to Authority a certification from Architect stating that the Work has been completed in accordance with the Plans. Upon (1) submission of Architect's certification, (2) inspection by Authority and a determination by Authority in its reasonable discretion Contractor has reached Substantial Completion in compliance with this Agreement, and (3) at Authority's discretion, completion of an independent cost certification of the work to be prepared and paid for by Authority, Authority shall certify in writing that the Work is substantially complete by executing and recording against the Property a notice of completion and acceptance of work (the "Acceptance Certificate").

Delay and Extension of Time.

Delay. Except as set forth below, the occurrence of events that delay the Work shall not excuse Contractor from achieving Substantial Completion within the Contract Time. The Contract Time may be extended by Change Order for each calendar day Contractor is delayed in the commencement or progress of the Work provided that Contractor demonstrates that the following conditions have been met:

At the time the event causing the delay commences, no event of default (as described in Section 4.2 of this Agreement) exists;

Contractor demonstrates that the delay will have a material adverse impact on the critical path of the then current Schedule;

The delay is not caused by Contractor;

The delay could not be (or have been) limited or avoided by Contractor's timely notice to Authority of the delay or reasonable likelihood that the delay would occur;

The delay is of a duration of more than one calendar day; and

The delay is caused by one, or more, of the events or conditions set forth in Section 32(b)(1) of the General Conditions.

Change Order. Provided that such conditions set forth above are satisfied, the Contract Time may be extended by Change Order as set forth in Section 2.11 of this Agreement.

Change Orders.

Changes in the Work may be accomplished after execution of this Agreement, and without invalidating this Agreement by Change Order, subject to the limitations stated in Section 29 of the General Conditions (each, a "Change Order"). Agreement on any Change Order shall constitute a final settlement of all matters relating to the change in the work that is the subject of the Change Order, including, but not limited to, all direct and indirect costs associated with such change and any and all adjustments to the Contract Sum and the Contract Time (if any). Contractor shall use the AIA Change Order form, or such other form of change order reasonably acceptable to Authority, and shall report requests for Change Orders and Change Order status monthly.

Work Pursuant to Permits, Plans and Laws.

Permits. In accordance with Section 12(b) of the General Conditions, Contractor shall obtain, and pay all costs for, all applicable permits, licenses, and authorizations necessary for the Work. The Work shall proceed only after procurement of each permit, license, or other authorization that may be required by any governmental agency having jurisdiction over the Work.

Plans and Laws. Contractor shall cause all the Work performed in connection with this Agreement to be performed in compliance with: (i) the Plans, as approved by the City Building Department, and all governmental approvals and permits; (ii) all applicable laws, ordinances, rules and regulations of federal, state, or municipal governments or agencies now in force or that may be enacted hereafter, including (without limitation and where applicable) prevailing wage provisions of the federal Davis-Bacon Act (as further set forth in Section 46 of the General Conditions), and its implementing rules and regulations, and the prevailing wage provisions of the Section 1720, et seq. of the California Labor Code; and (iii) all directions, rules and regulations of any fire marshal, health officer, building inspector, or other officer of every governmental agency now having or hereafter acquiring jurisdiction. In accordance with Section 1104 of the California Public Contract Code, Contractor shall review the Contract Documents, and, in the event Contractor discovers any error or omission in the Contract Documents with applicable codes, then Contractor shall promptly notify Authority of such error or omission.

Each Subcontractor and any lower tier subcontractor shall submit through Contractor to Authority weekly certified payrolls for each work week from the time work is started until the Work is completed setting forth, among other things, that each worker has been paid in accordance with Section 2.12(c)(i) of this Agreement. Weekly payrolls shall be completed and submitted promptly to Authority, preferably no later than seven (7) working days following completion of the work week. Monthly progress payments will not be released until all payroll reports are up to date. All workers are to be paid not less than once per week.

Department of Labor Notification. Within ten (10) calendar days of contract award (including subcontracts) for each contract of Ten Thousand and No/100ths Dollars (\$10,000.00) or more, Authority is required to send a notice of contract award to the Regional Office of Federal Contract Compliance Programs of the Department of Labor. This notification is required by Executive Order 11246, as amended, and shall include the name, address, and telephone number of the contractor/subcontractor; the employer identification number; the dollar amount of the contract; the estimated start and completion dates; and the project number(s) and community in which the project(s) is located. Authority's Right to Carry Out the Work.

If Contractor defaults or neglects to carry out the work in accordance with this Agreement and fails within seven (7) calendar days after receipt of written notice from Authority to commence and continue correction of such defects or neglect with diligence and promptness, Authority may, after seven (7) calendar days following receipt by Contractor of an additional written notice and without prejudice to any other remedy Authority may have, correct such deficiencies. In such case, an appropriate Change Order shall be issued, deducting from the payments then or thereafter due Contractor, the cost of correcting such deficiencies, including compensation for Architect's additional services made necessary by such default, neglect or failure. If the payments then or thereafter due Contractor are not sufficient to cover such amount, Contractor shall pay the difference to Authority.

Contractor shall provide Authority notice of any release of hazardous materials or substances at the Property. When the material or substance has been rendered harmless, Work in the affected area shall resume upon written agreement of Authority and Contractor. The Contract Time shall be extended appropriately and the Contract Sum shall be increased in the amount of Contractor's reasonable additional costs of shut-down, delay and start-up, which adjustments shall be accomplished pursuant to a Change Order; provided, however, Authority shall have no obligation to execute a Change Order for: (i) any hazardous materials or substances that were previously disclosed to Contractor, prior to the Effective Date; (ii) any condition that does not differ materially from those conditions disclosed to Contractor; or (iii) any hazardous materials or condition known by Contractor.

Contractor shall provide whatever documentation, deposits or surety is reasonably required by the title insurance company providing title insurance on the Work in order to obtain lien-free endorsements prior to Authority's payment of any payment, including any progress payment. If Contractor fails to promptly provide the documentation, deposits, records of payment or surety bonds required by this Section 2.20(a), Authority may: (1) obtain any deposits or surety; or (2) make payments to claimants against the Work, Contractor, Authority, in good faith, as reasonably required to release the mechanic's lien or stop notice claim. Authority may withhold the cost of obtaining such deposits or surety or of making such payments from any payment that would otherwise be due to Contractor. Failure of Authority to withhold any or part of any payment pursuant to this Section 2.20(a) shall not be a waiver of any right of Authority under the Contract. Withholding

of any payment or part of any payment by Authority pursuant to this Section 2.20(a) shall not be a breach of this Agreement.

Withholding of Payments Due to Claims of Subcontractors. Provided that Authority has made payment of undisputed sums due and payable in accordance with this Agreement, if any subcontractor, material supplier to the Work, or lower tier subcontractor or material supplier files or serves any claim or lien, stop notice, common count or other demand for payment against Authority, or the real property of the Work, Authority may either (1) withhold from any progress payment or other payment an amount up to one hundred fifty percent (150%) of the amount necessary to satisfy the claim, stop notice, common count, or other demand for payment, including all anticipated costs and fees related to the defense of such claim, including but not limited to attorneys' fees, or (2) release the progress payment or other payment. Failure of Authority to withhold any or part of a progress payment pursuant to this Section 2.20(b) shall not be a waiver of any right of Authority under this Agreement. Withholding of any payment by Authority pursuant to this Section 2.20(b) shall not be a breach of this Agreement.

PAYMENT AND RECORD KEEPING REQUIREMENTS

Contract Sum; Guaranteed Maximum Price.

Contract Sum. Authority shall pay Contractor the Contract Sum in current funds for Contractor's performance of the Work. The "Contract Sum" is the Cost of the Work as defined in this Article 3, plus the Contractor's Fee. The Contract Sum is based on Contractor's Schedule of Values, attached as Exhibit C to this Agreement and incorporated herein. Contractor's Schedule of Values sets forth that the Contract Sum shall not exceed [] and No/100ths Dollars [(\$.00)] (the "Guaranteed Maximum Price"), subject to any change order approved in writing by Authority in accordance with this Agreement.

Contractor's Actual Costs. Costs as defined herein shall be actual costs paid by Contractor. All payments made by Authority pursuant to this Article 3, whether those payments are actually made before or after the Effective Date, are included within the Guaranteed Maximum Price; provided, however, that in no event shall Authority be required to reimburse Contractor for any portion of the Cost of the Work incurred prior to the issuance of the Notice to Proceed unless Contractor has received Authority's written consent prior to incurring such cost.

No Duplication of Payment. Notwithstanding the breakdown or categorization of any costs to be reimbursed in this Article 3 or elsewhere, there shall be no duplication of payment in the event any particular items for which payment is requested can be characterized as falling into more than one of the types of compensable or reimbursable categories.

Conditions Precedent to Disbursement of Funds for the Work.

Authority shall not be obligated to make any payment to Contractor or take any other action under this Agreement unless the following conditions are satisfied prior to each such disbursement:

No Default. There exists no Default nor any act, failure, omission or condition that would constitute an event of Default under this Agreement.

Payroll. Authority has received all payroll information required pursuant to Section 2.12(c) of this Agreement; provided, however, Authority shall withhold from any payment an amount proportionate to, or otherwise equal to, the missing payroll information. Authority shall not withhold the full amount of a payment due solely to Contractor's failure to deliver complete payroll information.

Approved Application for Payment. Authority has received, and approved, the Application for Payment in the form set forth in Section 3.3 of this Agreement.

Lien Releases. If requested by Authority, Contractor has provided Authority with waiver and releases from all contractors, Subcontractors, and materialpersons in such form as is acceptable to Authority including conditional waivers from all persons for whose work in the preceding month payment is sought, and unconditional waiver and releases from all persons for whose work payment has been made by Authority (or bonded around by Contractor in the event of a dispute between Contractor and a Subcontractor) in response to Contractor's Application for Payment.

Application for Payment Process.

Submittal of Application for Payment. Authority shall provide payment to Contractor for the performance of the Work based upon a monthly Application for Payment from Contractor, and approved by Authority, in an amount equal to ninety-five percent (95.00%) of the requested payment amount, and shall retain the balance for payment in accordance with Section 3.4 of this Agreement (the "Retention Amount"), all subject to the requirements set forth in Section 27 of the General Conditions. In the event Authority disapproves a monthly Application for Payment, then Authority shall deliver a written notice of disapproval within seven (7) calendar days after Authority's receipt of the Application for Payment.

Form of Application for Payment. In addition to the requirements set forth in Section 27 of the General Conditions (including Contractors certification requirement), each of Contractor's application for payment (an "Application for Payment") shall: (i) set forth the proposed use of funds consistent with the Contractor Schedule of Values, including the Cost of the Work to be funded; (ii) contain sufficient detail and with sufficient supporting documentation to permit Authority to confirm that the work to be funded by the draw request has been performed, and that Authority may accept such work in accordance with the guidelines established by HUD to the extent applicable; and (iii) be set forth on the AIA form for application of payment, or such other form mutually acceptable to the Parties.

Payment by Authority. Authority shall pay each approved Application for Payment within thirty (30) calendar days after receipt. Notwithstanding any provision of this Agreement to the contrary, including but not limited to Section 27 of the General Conditions, if Authority fails to pay an approved Application for Payment within thirty (30) calendar days after receipt of an undisputed and properly submitted Application for Payment from Contractor, then Authority shall pay interest to Contractor equivalent to the legal rate set forth in subdivision (a) of Section 685.010 of the California Code of Civil Procedure. Contractor and Authority agree and acknowledge that this provision constitutes a summary of Section 20104.50 of the California Public Contract Code.

Conditions Precedent to Release of Retention Amount.

Conditions Precedent. Authority shall not be obligated to make the disbursements of the Retention Amount or take any other action under this Agreement unless the following conditions are satisfied prior to such disbursement:

There exists no Default nor any act, failure, omission or condition that would constitute an event of Default under this Agreement.

All labor has been performed in a good workperson-like manner consistent with this Agreement.

To the maximum extent permitted by law, all persons, firms and corporations, including all laborers, material persons, suppliers and Subcontractors who have furnished equipment, supplied materials or performed work for or in connection with the Work, (the "Potential Claimants"), have been paid or will be paid in full out of the remaining retained percentage; and those persons, firms and corporations have submitted their final statements with an unconditional waiver and release upon final payment. Contractor shall make these waivers available for inspection by Authority. In the event a dispute has arisen between Contractor and one of the parties listed above which prevents Contractor from obtaining the waiver of rights from that party, Contractor may satisfy the requirements of this Section 3.4(a)(iii) by supplying a payment bond issued by a surety licensed to do business in the State of California and acceptable to Authority to remove the effect of any claim against the Property and agree to defend and indemnify Authority against all actions filed by persons who have supplied materials to or performed work for or in connection with this Agreement.

All portions of the Work (that are the responsibility of Contractor) requiring inspection by any governmental authority have been inspected and approved by such authority and all requisite certificates of occupancy, approvals, licenses and permits (if applicable) that are the responsibility of Contractor, have been issued.

To the extent applicable, Authority has received operating manuals and assignments of warranties of Contractor, all Subcontractors and material persons.

Thirty (30) calendar days have elapsed from Authority's recordation of the Acceptance Certificate.

PMRFP09122023 CHINA CLIPPER ELECTRICAL UPGRADE RENOVATION WORK Issued: September 12, 2023

If requested by Authority, Contractor has delivered to Authority a final accounting of the actual Cost of the Work, and the Savings, if any, and/or Authority's accountant has completed a cost certification for the Work.

All items on the punch-list related to the Work have been completed and accepted by Authority, and Authority has issued an Acceptance Certificate pursuant to Section 2.9 of this Agreement and Section 20 of the General Conditions.

Early Release. Notwithstanding the above, a portion of the Retention Amount may be released to certain Potential Claimants performing work early in the Schedule subject to the approval of Authority, in its sole discretion, prior to satisfaction of all conditions set forth in this Section 3.4 of this Agreement if such Potential Claimant has: (i) fully performed all portions of the Work to be performed by such Potential Claimant; (ii) delivered to Contractor, or to Authority, all applicable operating manuals and assignments of warranties, and other documentation reasonably requested by Authority in connection with such Potential Claimant's work; and (iii) provided Authority unconditional releases for all amounts owed to the Potential Claimant.

Assignment of Claims by Contractor.

In accordance with Section 7103.5 of the California Public Contract Code, Contractor and/or Subcontractor(s), if any, hereby assign to Authority all rights, title, and interest in and to all causes of action each may have under Section 4 of the Clayton Act (15 U.S.C. Section 15), as may be amended, or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 Division 7 of the California Business and Professions Code) as may be amended, arising from purchases of goods, services, or materials pursuant to this Agreement or the applicable subcontract. This assignment shall be made and become effective at the time Authority tenders final payment to Contractor (or final payment is tendered to the applicable Subcontractor), in accordance with this Agreement, without further acknowledgement, or action, by the Parties. Such assignment shall survive the expiration or termination of this Agreement.

Information.

Contractor shall provide any information reasonably requested by Authority in connection with the performance of the Work, including (but not limited to) any information required by HUD.

TERM; DEFAULT; REMEDIES

Term.

The term of this Agreement shall extend from the Effective Date until the earlier of: (a) termination following an uncured default under this Agreement; or (b) Authority's written acceptance of the Work as completed through the issuance of an Acceptance Certificate;

provided, however the indemnification and warranty provisions set forth in this Agreement and/or the General Conditions shall survive the expiration of the term.

Events of Default by Contractor.

Events of Default. Contractor shall be in default under this Agreement, if Contractor, after five (5) calendar days' notice and opportunity to cure:

subject to Section 32(b) of the General Conditions, refuses or fails to prosecute the Work, or any separable part of it, with the diligence that will insure its Substantial Completion within the Contract Time, or fails to complete the Work within this time;

is adjudged bankrupt or there is a general assignment for the benefit of creditors or the appointment of a receiver due to insolvency;

refuses or fails to supply sufficient skilled workers or materials;

repeatedly fails to make prompt payment to Subcontractors for materials or labor;

repeatedly or materially disregards the applicable laws, local ordinances, or Authority instructions; or

is in substantial breach of any provision of this Agreement.

Remedies. Following such default by Contractor, Authority shall have the right to pursue all of the remedies set forth in Section 4.3 of this Agreement; provided, however, in the event of default under Section 4.2(a)(i) of this Agreement, Authority shall enforce the remedy set forth in Section 4.3(d) of this Agreement, solely in connection with Contractor's failure to timely complete the Work.

Remedies.

Authority's Rights. The occurrence of any default by Contractor set forth in Section 4.2 of this Agreement, shall give Authority the right to take whatever action at law or in equity as may appear reasonably necessary to enforce performance or observance of any obligations, agreements, or covenants under this Agreement, including without limitation: (i) termination of this Agreement, (ii) without liability, taking possession of the Property and of all materials, equipment, tools, construction equipment and machinery thereon owned by Contractor; (iii) acceptance of assignment of subcontracts; and, (iv) completion of the Work by whatever reasonable method Authority may deem expedient.

Surety. In the event of termination by Authority, Authority shall immediately serve written notice on the surety and Contractor. The surety shall have the right to take over and perform the Work if, within ten (10) calendar days after receiving the notice, it so notifies Authority, in writing, and promptly commences work (and thereafter, the surety shall be bound by all the terms and conditions of this Agreement).

Payment. In the event of termination, Contractor shall not be entitled to receive any further payment until the Work is completed, and applicable lien periods have expired. If the unpaid balance of the Contract Sum exceeds the expense of completing the Work, plus compensation for additional managerial and administrative services and all other reasonable costs and expenses incurred by, or on behalf of Authority, the excess shall be paid to Contractor. If such expenses incurred by Authority exceed the unpaid balance, then, notwithstanding any other remedy invoked by, or otherwise available to, Authority, Contractor and surety (on a joint and several basis) shall be liable for the difference to Authority, and shall promptly pay such amount upon written demand by Authority. Such obligation shall survive the expiration or termination of this Agreement. In the event of any conflict between the terms of this Section 4.3(c) and any other provision of this Agreement, the terms of this Section 4.3(c) shall control.

Liquidated Damages for Delay. By executing this Agreement, Contractor represents that it can, and will, complete the Work within the Contract Time. If Contractor fails to reach Substantial Completion by the date required by this Agreement, the Parties agree that Authority would suffer damages related to the delay, but that such damages would be extremely difficult and impracticable to ascertain. The Parties therefore agree that a reasonable estimate of the damages to be suffered by Authority in the event of such a delay is [] and No/100ths Dollars [(\$)] per calendar day. Contractor shall therefore pay to Authority that amount for each calendar day during which Substantial Completion is delayed beyond the date for Substantial Completion required by, and as set forth in, the Schedule. At Authority's discretion, Authority shall be entitled to deduct such amount from any payment otherwise due Contractor, and in no event shall such deduction constitute a breach of this Agreement by Authority. Any such amount not deducted shall be immediately payable by Contractor to Authority on Authority's written demand. Such payments are: (i) liquidated damages to Authority solely for Contractor's failure to timely complete the Work in accordance with this Agreement; (ii) in addition to any other remedy available to Authority for Contractor's other breach or default(s) under this Agreement; and (iii) not a penalty. Such liquidated damages are not in lieu of Contractor's indemnity obligations set forth separately in this Agreement. This Section 4.3(d) replaces Section 33(a) of the General Conditions, in its entirety. For the avoidance of doubt, the Parties agree and acknowledge that Section 33(b) and Section 33(c) of the General Conditions remain in full force and effect, and are to be read in conjunction with this Section 4.3(d).

Remedies Cumulative.

No right, power, or remedy given to Authority by the terms of this Agreement is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to Authority by the terms of any such instrument, or by any statute or otherwise against Contractor and any other person. Neither the failure nor any delay on the part of Authority to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by Authority of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

Termination for Convenience.

Authority shall have the right to terminate this Agreement for convenience pursuant to Section 34 of the General Conditions.

PARTIES' DISPUTESDefinition of Claim Governed by Dispute Clause.

"Claim," as used in this clause, means a written demand or written assertion by one of the Parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of terms of this Agreement, or other relief arising under or relating to this Agreement. A claim arising under this Agreement, unlike a claim relating to this Agreement, is a claim that can be resolved under this Agreement that provides for the relief sought by the claimant. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim by complying with the requirements of this Article 5, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

Applicability of Dispute Clause.

Except for disputes arising under applicable labor standards (i.e., Davis-Bacon and related acts), all disputes arising under or relating to this Agreement, including any claims for damages for the alleged breach thereof which are not disposed of by this Agreement, shall be resolved under this Article 5. This Article 5 supplements Section 31 of the General Conditions.

Written Claims to be Submitted to Contracting Officer.

All claims by Contractor shall be made in writing and submitted to the Contracting Officer for a written decision.

Notice of Decision or Decision Date.

The Contracting Officer shall, within fifteen (15) calendar days after receipt of the request, decide the claim or notify Contractor of the date by which the decision will be made. In no event shall the Contracting Officer render a decision later than sixty (60) calendar days from the receipt of the request.

Effect of Contracting Officer's Decision.

The Contracting Officer's decision shall be final unless Contractor submits a demand for arbitration within the applicable statute of limitations, in accordance with Section 5.8 of this Agreement.

Contractor's Duty to Perform Pending Claim Resolution.

Contractor shall proceed diligently with performance of this Agreement, pending final resolution of any request for relief, claim, appeal, or action arising under or relating to this Agreement, and comply with any decision of the Contracting Officer.

Identification of Contracting Officer.

For purposes of this Agreement, Authority's Contracting Officer shall be Authority Executive Director or his or her designee (the "Contracting Officer").

Arbitration of Disputes.

In the event Contractor disputes the Contracting Officer's determination, then the Parties shall submit the dispute to binding arbitration which, unless the Parties mutually agree otherwise, shall be in accordance with the Arbitration Rules and Procedures of JAMS (the "JAMS Rules") currently in effect, unless arbitration is not required pursuant to Section 5.9 of this Agreement, in which event Contractor shall proceed in accordance with Section 31 of the General Conditions. The demand for arbitration shall be filed in writing with Authority and with JAMS. The arbitration panel shall consist of a single arbitrator and the process for the arbitration shall proceed in accordance with the then current JAMS Rules. A demand for arbitration shall be made within thirty (30) calendar days following the Contracting Officer's determination, and in no event shall it be made after the date when institution of legal or equitable proceedings based on such claim would be barred by the applicable statute of limitations.

Situations when Arbitration Not Applicable.

The foregoing agreement to arbitrate and other agreements to arbitrate with an additional person or entity duly consented to by Parties shall be specifically enforceable under applicable law in any court having jurisdiction thereof. This Agreement to arbitrate shall not apply if: (a) any person or entity whom either Party believes is necessary or beneficial to the full resolution of the claim (including but not limited to Architect) cannot be joined in or bound by the arbitration proceeding; or (b) any person or entity whom either Party believes is necessary as a witness for such a proceeding is not available for such a proceeding; or (c) the amount in controversy exceeds Fifty Thousand and No/100ths Dollars (\$50,000.00); or (d) if any change in the Contract Time or change in the date set forth for Substantial Completion could result from the arbitration.

Judgment on Final Award.

The arbitrator shall make an award in writing that is consistent with the terms of this Agreement (including but not limited to the terms governing payment of attorneys' fees) and the laws of the state of California, and that includes findings of fact and a reasoned decision. The award rendered by the arbitrator shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

Notice of Third-Party Claims.

In accordance with Section 9201(b) of the California Public Contract Code, Authority shall provide Contractor timely notification of any third-party claim related to this Agreement (if any).

FEDERAL REQUIREMENTS

Certain Requirements.

Compliance with Laws. Contractor shall comply with all applicable state and federal laws, rules and regulations, including but not limited to the requirements of the following, as the same may be amended from time to time:

The requirements of Executive Order 11246, as more particularly set forth in Exhibit J;

The Fair Housing Act, 42 U.S.C. 3601 et seq., and regulations issued thereunder, 24 CFR Part 100; Executive Order 11063 (Equal Opportunity in Housing) and regulations issued thereunder, 24 CFR Part 107; the fair housing poster regulations, 24 CFR Part 110, and the HUD Fair Housing Act Advertising Guidelines;

The Lead-Based Paint Poisoning Prevention Act, as amended (42 U.S.C. 4801-4846.), the Residential Lead-Based Paint Hazard Reduction Act (42 U.S.C. 4851 et seq.), and implementing regulations at 24 C.F.R. Part 35.

No Limitation. Contractor is required to comply with all applicable laws regarding the Work, and the failure to include, or otherwise specify, any applicable law in this Section 6.1, or elsewhere in this Agreement, shall not be construed to waive, limit, or otherwise impair Contractor's obligation to comply with such laws.

Recordkeeping, Audit & Reporting Requirements

Recordkeeping; Access. Contractor's books and records pertaining to its performance under this Agreement shall be kept in accordance with generally accepted accounting principles, and shall be retained for at least three (3) years after Authority makes final payment to Contractor under this Agreement and all other pending matters are closed.

Contractor agrees to grant a right of access to Authority, HUD, any agency providing funds to Authority, the Comptroller General of the United States, and any of their authorized representatives, with respect to any books, documents, papers, or other records pertinent to this Agreement in order to make audits, examinations, excerpts, and transcripts. Authority shall notify Contractor of any records it deems insufficient. Contractor shall have fifteen (15) calendar days after the receipt of such a notice to correct any deficiency in the records specified by Authority in such notice, or if a period longer than fifteen (15) calendar days is reasonably necessary to correct the deficiency, then Contractor shall begin to correct the deficiency within fifteen (15) calendar days and correct the deficiency as soon as reasonably possible.

Contractors. Contractor agrees to include in first-tier subcontracts under this Agreement a clause substantially the same as Section 6.2(a) of this Agreement. The term "subcontract" as used in this clause excludes contracts and purchase orders not exceeding Ten Thousand and No/100ths Dollars (\$10,000.00).

Access for Disputed Matters. The period of access and examination under Section 6(a) and Section 6(b) of this Agreement for records relating to: (i) appeals under the Dispute Section of this Agreement; (ii) litigation or settlements of disputes arising from the performance of this Agreement; or (iii) costs and expenses of this Agreement to which Authority, HUD or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

Audit. Authority, HUD, any agency providing funds to Authority, the Comptroller General of the United States, or any of their duly authorized representatives, shall have the right to perform any audit of Contractor's finances and records related to its performance under this Agreement, including without limitation, the financial arrangement with anyone Contractor may delegate to discharge any part of its obligations under this Agreement.

Interest of Members of Congress.

No Member of or delegate to the Congress of the United States shall be admitted to any share or part of this Agreement or to any benefit to arise therefrom.

Interest of Member, Officer, or Employee and Former Member, Officer, or Employee of Authority.

No member, officer, or employee of Authority, no member of the governing body of the locality in which the project is situated, no member of the governing body by which Authority was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one (1) year thereafter or such longer time as Authority's Code of Ethics may require, have any interest, direct or indirect, in this Agreement or the proceeds thereof, unless the conflict of interest is waived by Authority and by HUD.

Lobbying Activities.

Contractor shall comply with 31 USC 1352 which prohibits the use of Federal appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract; the making of any Federal grant; the making of any Federal loan; the entering into of any cooperative agreement; or the modification of any Federal contract, loan, or cooperative agreement. Contractor further agrees to comply with the requirement of such legislation to furnish a disclosure (OMB Standard Form LLL) if any funds other than Federal appropriated funds (including profit or fee received under a covered Federal transaction) have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with a Federal contract, grant, loan, or cooperative agreement, which payment would be prohibited if made from Federal appropriated funds.

GENERAL PROVISIONS

Relationship of Parties.

Nothing contained in this Agreement shall be interpreted or understood by any of the Parties, or by any third persons, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between Authority and Contractor or its agents, employees or subcontractors, and Contractor shall at all times be deemed an independent contractor and shall be wholly responsible for the manner in which it or its agents, or both, perform the services required of it by the terms of this Agreement. Contractor has and retains the right to exercise full control of employment, direction, compensation, and discharge of all persons assisting in the performance of services under this Agreement. In regards to the performance of the Work, Contractor shall be solely responsible for all matters relating to payment of its employees, including compliance with Social Security, withholding, and all other laws and regulations governing such matters, and shall include requirements in each contract that subcontractors shall be solely responsible for similar matters relating to their employees. Contractor shall be solely responsible for its own acts and those of its agents and employees. Contractor is not authorized to act on behalf of Authority with respect to any matters except those specifically set forth in this Agreement. Authority shall not have any liability or duty to any person, firm, corporation, or governmental body for any act of omission or commission, liability, or obligation of Contractor, whether arising from actions under this Agreement or otherwise. Authority agrees to exercise all reasonable efforts to enable Contractor to perform the Work in the best way and most expeditious manner by furnishing and approving, in a timely manner, information required by Contractor and making payments to Contractor in accordance with the requirements of the Contract Documents.

No Claims.

Nothing contained in this Agreement shall create or justify any claim against Authority by any person that Contractor may have employed or with whom Contractor may have contracted relative to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the performance of the Work, and Contractor shall include similar requirements in any contracts entered into for the performance of the Work.

Amendments.

No alteration or variation of the terms of this Agreement shall be valid unless made in writing by the Parties.

Indemnification.

Contractor's Obligation. To the fullest extent permitted by law, Contractor shall indemnify and hold harmless Authority, and its commissioners, Architect, their consultants, and agents and employees or any of them from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property, but only to the extent caused by the negligent acts or omissions of Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a Party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a Party or person described in this Section 7.4.

No Limitation. In claims against any person or entity indemnified under this Section 7.4 by an employee of Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section 7.4 shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for Contractor or a Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

Survival. The provisions of this Section 7.4 shall survive the termination or expiration of this Agreement.

Non-Liability of Authority Officials, Employees and Agents.

No member, official, employee or agent of Authority shall be personally liable to Contractor in the event of any default or breach by Authority or for any amount which may become due to Contractor or its successor or on any obligation under the terms of this Agreement.

No Third Party Beneficiaries.

There shall be no third party beneficiaries to this Agreement.

Conflict of Interest.

Contractor covenants that neither it nor any of its directors, officers, partners or employees has any interest, nor shall acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of the services hereunder. Contractor further covenants that in the performance of this Agreement, no person having such interest shall be employed by it.

Representatives; Authorization.

Authorization. Except as may be otherwise specifically provided herein, whenever any approval, notice, direction, consent, request, or other action by Authority is required or permitted under this Agreement, such action may be given, made, or taken by Authority's Executive Director and/or his designee, without further action or approval by Authority Board of Commissioners, and any such action shall be in writing. The Executive Director and/or his designee may, in his or her discretion, agree in writing to modification of the dates by which action are to be complete or to waive any terms and conditions of this Agreement. The Executive Director and/or his designee is authorized to execute all ancillary documents necessary to effectuate the intent of this Agreement, and to negotiate and execute amendments to this Agreement substantially in conformance with the intent of this Agreement.

Notices, Demands and Communications.

Formal notices, demands, approvals, claims, and communications between the Parties shall be in writing and shall be sufficiently given if and shall not be deemed given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by express delivery service, return receipt requested, or delivered personally, to the principal office of the Parties as follows:

Receipt shall be deemed to have occurred on the date shown on a written receipt as the date of delivery or refusal of delivery (or attempted delivery if undeliverable).

Applicable Law.

This Agreement shall be governed by California law.

Parties Bound.

Other than in connection with the portions of the Work to be performed by Subcontractors, Contractor shall not assign or otherwise transfer this Agreement, as a whole, or in any part, without the prior written consent of Authority. Any such attempted assignment or transfer shall be null and void, and shall constitute a default under this Agreement. Except as otherwise limited herein, the provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their heirs, executors, administrators, legal representatives, successors, and assigns.

Attorneys' Fees.

If any lawsuit is commenced to enforce any of the terms of this Agreement, the prevailing Party will have the right to recover its reasonable attorneys' fees and costs of suit from the other Party.

Severability.

If any term of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions shall continue in full force and effect unless the rights and obligations of the Parties have been materially altered or abridged by such invalidation, voiding or unenforceability.

Waivers.

Any waiver by Authority of any obligation or condition in this Agreement must be in writing. No waiver will be implied from any delay or failure by Authority to take action on any breach or default of Contractor or to pursue any remedy allowed under this Agreement or applicable law. Any extension of time granted to Contractor to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by Authority to any act or omission by Contractor shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for Authority's written consent to future waivers.

Title of Parts and Sections.

Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of the provisions of this Agreement.

Entire Understanding of the Parties.

This Agreement and the attached exhibits constitute the entire understanding and agreement of the Parties with respect to the matters set forth in this Agreement. This Agreement shall not be construed as if it had been prepared by one of the Parties, but rather as if both Parties had prepared it. The Parties have read and reviewed this Agreement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party (including but not limited to Section 1654 of the California Civil Code as may be amended from time to time, or any other state law, or common law principle) shall not apply to the interpretation of this Agreement.

Builder's Risk Insurance.

Authority shall purchase and maintain a Builder's Risk Insurance policy, and shall include the interests of Authority, Contractor, and Subcontractors. All deductible amounts will be the responsibility of Authority.
