Notes:

In accordance with 6270.5, this document is available on the Housing Authority's website, www.alamedahsg.org. It may also be requested at the reception desk of the Housing Authority of the City of Alameda at 701 Atlantic Ave. This document is updated annually.

An enterprise system, as defined for this document, is a multidepartment system of record or a system that collects information about the public.

This catalog excludes:

1. Information technology security systems, including firewalls and other cyber security systems.
2. Physical access control systems, employee identification management systems, video monitoring, and other physical control systems.
3. Systems that would be restricted from disclosure pursuant to Section 6254.19 of the California Government Code.
4. The specific records that the information technology system collections, stores, exchanges, or analyzes.
5. Non-AHA data storage systems, operated by funding and regulatory agencies, to which AHA submits data as required.

Nothing in this section shall be construed to permit public access to records held by an agency to which access is otherwise restricted by statute or to alter the process for requesting public records.
